

Premier MediSpa is committed to respecting and protecting the privacy of visitors to our website. We've developed our web site so that you can visit us on the web without identifying yourself or revealing any personal information. What information do we collect?

When you visit our web site, our web server collects basic user information about you that includes your ISP's domain, the time you accessed our web site, and the pages from within our web site that you visit.

We may at times also use cookies, which are small pieces of information that a web site can store in a designated file on your computer. Cookies allow a web application to respond to you as an individual. By gathering and remembering information about your preferences, the web application can tailor its operation to your needs, likes, and dislikes.

Our web server does not collect your e-mail address or aggregate information on what other pages on the Web you have accessed or visited.

The basic user information collected is used to help us analyze web traffic and to improve the content of our web site.

Please note, however, that we reserve the right to send bulletins and other important information regarding our services at our discretion. This information is not sold or provided to anyone else.
